

# ADAPTER "SC/APC" FEMALE-FEMALE

## OPTICAL NETWORK DISTRIBUTION ATTACHMENT

REF.	ART. NR.	DESCRIPTION	EAN 13
233203	OASCAPCN	ADAPTER "SC/APC" FEMALE-FEMALE	8424450185995

**+** FO distribution attachment that **allows the connection from different optical networks**. This adapter adds a **new auto-blocking cap** as protection and **higher versatility of use** (more than 1,000). Its application is extended to a huge range of equipment: main enclosures, split enclosures, user access points, etc.

- High reliability.
- **Low return losses** due to the APC polish.
- **Easy installation** due to the SC connector.
- Effective data transmission.
- **Auto-blocking cap** to protect the **interior** of the connector.
- Small size.
- Conform to standard **EN-50173, EIA-50173-A y IEC-61754**.
