

FIBRE OPTIC SINGLE-MODE PATCH CORD "SC/APC" 2m

CONNECTION ACCESSORIES FOR OPTICAL NETWORKS

REF.	ART. NR.	DESCRIPTION	EAN 13
232602	OSCAPC2	FO PATCH-CORD PRE-T.LSFH SC/APC 2m (Pigtail)	8424450185902

+ This patch cord allows to connect **elements of the network through single mode fiber optics**. The fact that they are equipped with SC/APC, we can also use them in **Video Overlay Headends (1550nm) with TOX devices**.

- Manufactured using LSFH ITU-T G.657A2 fiber, providing the user with **low levels of attenuation and high reliability**.
- **900µm external coating** single-mode fiber.
- **"SC/APC"** male-male connector.
- **Low return losses**.
