Compression tool for "F" and "IEC" types straight connectors

Metal tool for the installation of straight "F" and "CEI" types compression connectors. Thanks to its rotating and distance-adjustable head, it adapts to different types and lengths of connectors quickly and easily.
The tool incorporates a plastic and rubber finish in the gripping area that facilitates and improves its hold.
In addition, it includes a safety lock for proper storage.
Supplied in individual packing.

Ref.	216301
Logical ref.	FIPW2000
EAN13	8424450192238

Packaging info	
Box	1 pcs.

Physical data	
Net weight	320.00 g
Gross volume	0.27 dm³
