

Kit of wheels and screws for Rack 19" 4 wheels and 16 screws

Kit consisting of 4 wheels and 16 screws for assembly in Rack 19", in order to make easy their movement.

The wheels allow the rack to be easily moved, a very advantageous factor in large racks that can reach a very high weight. In addition, the wheels make the work space more usable, as the rack can be moved as required.

Two of the supplied wheels contain brakes to avoid the involuntary movement of the Rack.

Ref.	533171
Logical ref.	MSR-4R
EAN13	8424450237380

Packing

Box	1 pcs.
------------	--------

Physical data

Net weight	1,293.00 g
Gross weight	1,293.00 g
Width	55.00 mm
Height	71.00 mm
Depth	88.00 mm

Highlights

- Space optimization: more usable meters are exploited by being able to move the rack
- Ease of work: The wheels allow the rack to be rotated in any direction to facilitate the operation of connections and devices
- Safety: brakes are included to ensure that the cabinet stays in place, avoiding possible accidents
- Easy installation: installation screws are supplied for rack mounting
- Compatible with 600, 800 and 1000 mm deep racks
