

Ports protector H30 Series

Waterproof elastic polymer protector for connectors of H30 series meter. The use of this protector avoids the dust accumulation in the connectors, as well as water leaks due to the use of the meter outdoors.

In addition, it is possible to combine other accessories (protective sleeve, carrying case...) with the connector protector installed on the meter.

Ref.	593205
Logical ref.	H30-SS
EAN13	8424450212981

Packaging info

Box	1 pcs.
