Cross Support for 48 LED Maxi Floodlight

Angle support for 48 LED Maxi floodlight. It is designed for anchoring the luminaire on a crossarm, at the top of a column. It is also compatible with the 360 and 450 tower supports, which are installed on high towers.

The cross support has a right-angle design and allows the floodlight to be rotated up to 15° to direct the light beam towards the area of interest. It is made of lacquered steel, which provides great resistance and finished in RAL 9006 aluminum color.

It is supplied with the necessary accessories for installation.

Ref.	69030301
Logical ref.	MFCS48AL
EAN13	8424450205600

Packaging info

Bag	1 pcs.
