Compression tool for "F" type elbowed connectors

Metal tool for the installation of elbowed "F" type compression connectors. It allows the assembly of connectors with different compression lengths by adjusting the included gauge. The tool also includes an unlocking system for when the length adjusted to the connector does not allow complete closure to be achieved. The tool incorporates a plastic and rubber finish in the gripping area that facilitates and improves its hold.
Supplied in individual packing.

Ref.	216303
Logical ref.	KPZ
EAN13	8424450316474

Packaging info	
Box	1 pcs.
