

## Tekniska specifikationer : Ref. 417001

|                                   |          |          |
|-----------------------------------|----------|----------|
| Connector type                    |          | F        |
| Connection type                   |          | Male     |
| Coudé                             |          | No       |
| Connector mounting method         |          | Screw-on |
| Compatibility with coaxial cables |          | RG-6     |
| Nominal impedance                 | $\Omega$ | 75       |
