

## Tekniska specifikationer : Ref. 233216

|                                      |    |  |                  |
|--------------------------------------|----|--|------------------|
| Optical connector type 1             |    |  | LC Duplex        |
| Polishing type (Optical connector 1) |    |  | APC              |
| Optical connector type 2             |    |  | LC Duplex        |
| Polishing type (Optical connector 2) |    |  | APC              |
| Connection type                      |    |  | Female/Female    |
| Fiber type                           |    |  | Single-Mode (SM) |
| Ferrule                              |    |  | Ceramic          |
| Protection cap                       |    |  | Shutter          |
| Shutter type                         |    |  | External         |
| Insertion losses                     | dB |  | 0,2              |
| Return losses                        | dB |  | 50               |
| Durability (connection cycles)       |    |  | 1000             |
| Housing material                     |    |  | Plastic          |
| Fastening type                       |    |  | Click            |
| Operating temperature                | °C |  | -40 ... 85       |
