

## Technical specifications : Ref. 533251

|                                    |    |                  |
|------------------------------------|----|------------------|
| Modular spacing (standard)         | in | 19               |
| Number of rack units (RU)          |    | 1                |
| Mounting                           |    | Front            |
| Fiber type                         |    | Single-Mode (SM) |
| Number of connectors               |    | 24               |
| Optical connector type             |    | SC Simplex       |
| Polishing type (Optical connector) |    | APC              |
| Max. capacity of connectors        |    | 24               |
| Operating temperature              | °F | -4 ... 158       |
| Depth                              | in | 8.898            |
| Depth adjustment                   | in | 2.165            |
| Color                              |    | Black            |
